

The FWAS Young Astronomers' Mascot Members will get to help us name him!

For Students 4th Grade and Older

Monthly programs will include space exploration, fun educational astronomy activities, sharing knowledge and telescope viewing*!

Please email <u>b.b.hartweg@gmail.com</u> to join the mailing list and be informed of meeting times and location.

Also see our club events calendar for dates and times: http://nightsky.jpl.nasa.gov/event-view.cfm?Event ID=25660

This youth oriented astronomy group is sponsored by the Fort Worth Astronomical Society

www.fortworthastro.org

*weather permitting, telescopes provided
